

About “Exchanges for All” at Stubbekøbing School, Guldborgsund (DK)

23/24 – 29/30.9.2023

with groups from AKG (EE), Liehlahti School (FI), Rydebäcksskolan (SE) & Stubbekøbing Skole (DK)

Stubbekøbing is a beautiful, old, but small city situated on the north side of the island Falster some 110-20 km. south of Copenhagen with

today just 2.000 inhabitants. The exchange will be hosted at the school,

which they have tried several times before and is quite well equipped for doing.

It means though, that everybody will have to bring a sleeping-bag, while mats are provided, and accommodation will be country-wise with whole group of 15 students and 2 teachers in one room.

Transportation will avoid airplanes and will be with bus from EE via Tallinn to Turku and then ferry to Stockholm and from here with the bus to DK and picking up SE-group on the way.
